Republican College of Informatics   Republic of Moldova

TECHNICAL EXPERIENCE

Recruit Me (web application)   April – May 2020
Team Member – BCIT Industry Project   Vancouver, BC

An online platform with ability to recruit, administer, and retain quality laborers. The application can handle entire process from laborer application to confirmation of completed work specializing in the construction industry.

- Defined tasks scope and managed the project using Kanban board in GitHub.
- Created initial wireframes with taking into consideration the main requirements and features.
- Architected frontend and created reusable components using React framework.
- Established backend API using .Net Core with Identity framework for authorization and authentication.
- Optimized app components and improved the product performance.

Assignment Tracker (web application)   March – Apr. 2020
Team Member - BCIT Internal Project   Vancouver, BC

Designed and deployed a fully functional MERN-stack application that allows users to store and manage their assignments.

- Implemented a Node REST API backend with Mongo database.
- Responsible for implementation a frontend using React with others team members.
- Implemented cloud-based authentication system with Google Firebase.
- Published frontend and backend on cloud platform - Heroku.

Stock Trading (mobile application) | March – Apr. 2020
Team Member - BCIT Internal Mobile Project | Vancouver, BC

Designed and developed a mobile mock trading app that allows users to "Buy" and "Sell" stocks and track the progress of their "portfolio" over time. The purpose of this app is to let people practice investing in the stock market without real money.

- Implemented cloud-based authentication system with Google Firebase
- Stock data pulled using JSON based API from finnhub.io

WORK EXPERIENCE

Quality Assurance Tester (part time) | July 2016 – Nov. 2017
Applause (U-Test) | USA (remotely)

Achieved Silver Rating.

- Located, documented defects. Testing: Functional, Usability, Localization, other duties.
